

*In every effort to provide you with the highest level of care in an efficient timely manner, we require you to bring the following items with you to every appointment in addition to the enclosed paperwork:*

- A picture ID
- Insurance card(s)
- Your co-pay (if required by your insurance company)
- An Insurance referral (if required by your insurance company)
- The name of your primary care and referring doctor(s)
- Medical reports from other doctors, hospitals and imaging centers
- Any medical records from other providers that has treated you for the same or similar issues
- A list of medications you are currently taking or the actual medication bottle(s)
